

FITNESS FOR WORK POLICY

Our commitment

AMH Civil and leadership is committed to creating a workplace environment where our employees are healthy, fit for work and are safe from hazards arising from fatigue, alcohol or drugs.

Policy in practice

To achieve this commitment AMH Civil will:

- Ensure employees, contractors and clients are aware of and comply with their fitness for work responsibilities
- Ensure employees do not expose themselves or others to risks from fatigue, alcohol or drugs either legal or illegal through adequate supervision and Prestart assessment
- Establish a mental health workplace management plan to communicate and manage mental health responsibilities and obligations
- Train Supervisors as first responders and fitness for work assessors to ensure worker wellbeing is proactively supported and encouraged
- Implement an Organisational Chart with clear reporting structures to ensure adequate supervision and checking in
- Ensure workplace conditions do not create and unacceptable risk of fatigue or exposure to risks arising from the use of alcohol or drugs
- Use workplace processes to assess, report and manage circumstances where an employee or contractor presents or is deemed unfit for work due to fatigue, alcohol or drugs
- Provide preventative support and rehabilitation measures to address fitness for work issues arising from fatigue, alcohol or drugs
- Conduct show cause or random drug or alcohol testing on work sites
- Request reasonable information about employee prescription medications used at work
- Limit travel to workplaces to less than 100km one way without General Manager approval and further fatigue management systems implemented
- Perform pre-employment medical checks as required
- Monitor health as required by law or industry guidelines where relevant for tasks (audiology testing, lung function testing)
